~Tammy Armstrong, MN*

This one-day seminar offers dance teachers and school owners fresh insights to bring back to their classrooms and businesses.

Gold's presentation is frank, revealing, and often humorous as he takes attendees on a journey through the realities of our field.

The curriculum is designed to motivate you to be the best teacher, business-person and mentor you can be. Gold's philosophies for the classroom, our students, successful studio ownership, respect for all dance teachers, and his unmatched passion for the field will leave you with a renewed sense of passion and confidence.
