Dance Masters of America 125th Anniversary Convention

Dear Members,

My sincere "Thank You", to all the member teachers for your dedication to the art of dance. Your support of the title scholarship competitions, performing arts competitions, open scholarship auditions, ballet intensive and convention workshops are proving to make this convention an enormous success.

Also I would like to express my gratification to your student's parents. The evening events have been very well received by everyone and the many "Thank You's" to myself and the Dance Masters organization after each event are just what Dance Masters of America, Inc., is all about.

Dance Masters of America, Inc., is "*one singular sensation*" when it comes to education and competition venues.
