Dear Fellow Dance Teachers,

Dance Masters of America is about dance education. As President of Chapter #21, it was one of my goals to add at least one educational event to our calendar. Therefore, it is with great pride that I announce our first annual one-day workshop. This year, we are honored to present, "A Day With Rosemarie Boyden". Rosemarie will present a 2-hour Workshop on Pre-school Dance Education, followed by two Master Classes in Tap. Rosemarie is an endless source of knowledge, history, energy, motivation, wonderful stories and just plain fun! You and your students will be inspired for years to come!

Teachers who attend the Pre-school Workshop should dress in comfortable clothing as you will be moving! You may take or observe the tap classes.

WORKSHOP FEES	MEMBERS & ASSOCIATES	NON-
MEMBERS		
PRE-SCHOOL WORKSHOP	\$35.00	\$50.00
ONE TAP CLASS	\$15.00	\$20.00
TWO TAP CLASSES	\$25.00	\$35.00
ALL DAY - TEACHERS ONLY	\$45.00	\$75.00

We hope you & your students will take advantage of this wonderful opportunity! Please post the enclosed flyer in your studio during your registration. If possible, perhaps make copies & place them on your registration table.

Although we will certainly accept registration the day of the workshop, we would prefer to have payment in advance. If at all possible, please submit one studio check payable to: St. Louis Dancing Teachers Association. Mail payments & registration to: Judy Arkes, 9922 Chantenay, St. Louis, MO 63123.
